

## Luxline

Choose these boats for practically anything you like, water sport, sub-aqua, work horse or just fun....

The Lux Line range provides all the pleasures boating can offer for sea and sun worshippers. Together with the natural qualities of a semi-rigid inflatable, you will have the features of beauty, stability, low weight and security all in one boat.

The Luxline have been designed so that all the passengers can be seated comfortably. The deep V hull is a guarantee of excellent performance and comfortable ride in an oncoming and following sea. A safe boat to challenge the open sea, the Luxline 570 is designed for long outings with build in fuel tank ensuring a good cruising capacity. Diversity in application, from a tender to a sports boat, pulling a skier or used when going diving, that is the Lux line.
